# CASHIERS! TELLERS! — CLERKS! —

**Do your employers furnish you with  
the latest edition of the City Directory?**

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

**DO YOUR EMPLOYERS FURNISH YOU WITH THE  
LATEST EDITION OF THE CITY DIRECTORY?**

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

## Please! Do Not Lend Your CITY DIRECTORY

### IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

## "SPACE-SAVER" WALL STORAGE UNITS

*to provide greatest storage in smallest space*

Here's a way to satisfy your customers completely—and save yourself money at the same time! MINGEL Wall Closets have the trim, modern appearance today's buyers demand. Sliding doors "float" back and forth at the touch of a fingertip. Inside—clothes rods, shelves and drawers (optional at extra cost) are *completely adjustable*, to suit individual owner's needs.

Fit easily into your floor plans—sliding doors take up far less floor space in a room. And MINGEL Wall Closets are strong and durable—made of high quality materials, well-constructed throughout. Prefabricated for quick, easy assembly. Eliminates expensive material and labor costs of building partition walls on the job.

Use them singly or in groups. In many instances, they can take the place of whole interior walls. Use MINGEL Topflight Sliding Doors or MINGEL Closet Fronts on all your ordinary closets. Come in today and see these MINGEL "space saver" Wall Closets. **Homes built with MINGEL Wall Closets are far more salable—your insurance of bigger profits!**

## CASHIERS! TELLERS!

## CLERKS!

Do your employers furnish you with  
the latest edition of the City Directory?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

**OUT OF SIGHT! OUT OF MIND!  
OUT OF BUSINESS! . . .**

 The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. *Insist on being well represented in its pages.*

## Please! Do Not Lend Your CITY DIRECTORY

### IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers —the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

## CAUTION . . . .

Pay no money in advance to itinerant Directory canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

## **THE JEFFERSON FAMILY PROVIDER**

Because of the current high cost of living, many men are beginning to realize that their present insurance would provide an inadequate income for their families. The Jefferson Family Provider has been designed to meet the need for more life insurance protection at less than usual cost—a special plan for preferred risks only.

- **IT GUARANTEES TO YOUR FAMILY:** A. In event of your death during first 20 years; or before age 65 if earlier: \$5,000 in cash immediately PLUS a monthly income of \$50.00 for the next 20 years (total payments \$17,000). —OR— \$14,460 in cash immediately.  
B. If death occurs after first 20 years; or after age 65 if earlier: \$5,000 in cash immediately.
- **IT GUARANTEES TO YOU:** \$14,460 life insurance at little more than usual cost on \$5,000, with increasing cash or loan values which are instantly available in financial emergency.
- Let us tell you more about it. Just call or write—

# FATHER and SON...

## Partners in Life

**I**S YOUR SON your Partner in Life? Of course he is. Every man looks forward to having a son who will be his Partner in Life. Was your father your Partner in Life? I am sure he was or you wouldn't be the man you are today.

Have you thought and planned for your partner's future security? What about when he is 21 and older, will he have the confidence and security to go on and become the success that you have, or even a greater success. You know you can, of course, make it easier on him by giving him security and confidence in the next few years.

The Jefferson Standard Life Insurance Company has realized that each man is a Partner in Life with his son. They have also realized

BUY  
\$5,000  
GET  
\$25,000

that each man wants to make it easier for the father and son. During the years when the son is growing to manhood, his life insurance is valued at \$5,000. When the son has reached manhood, at age 21, the value of the insurance increases five times to \$25,000 without any increase in premium.

This, in turn, gives the son the support to help build for financial security. It also helps to give confidence to him and his future because he then realizes that his father had made a wonderful investment and planned wisely for his Partner in Life.

Each time that your "Partner in Life" thinks of or sees this plan, he will realize more than ever that his father was a real Partner in Life.

For additional information concerning this new Plan of Jefferson Standard's contact your local Jefferson Standard representative.

*It is customary to include a Buyers

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

## Please! Do Not Lend Your CITY DIRECTORY

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100th PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000th PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

"If We Can't Command Patronage, The Next Best Thing is to Deserve it"

## Cashiers! Tellers! Clerks!

DO YOUR EMPLOYERS FURNISH YOU WITH THE  
LATEST EDITION OF THE CITY DIRECTORY?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

*Out of Sight!*

*Out of Mind!*

*Out of Business!*

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

**The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages.**
